

The Indian Society for Technical Education is a national, professional, non-profit making Society registered under the Societies Registration Act 1860. In the year 2004, ISTE student chapter of Government Polytechnic, Yavatmal (formerly known as Govt. Residential Women's Polytechnic Yavatmal) was incepted. Students become member of this chapter since their entry in institute. ISTE chapter is the umbrella of institute which shelters, cares for and motivates the students to use their creative minds and their boundless imaginations in the best possible way. The young, energetic, enthusiastic ISTE members have always made their mark wherever they set their foot.

Under ISTE following technical events were organized

- TechnicalQuizCompetition
- MSBTE sponsored State Level Technical Paper Presentation Competition
- PaperpresentationCompetition
- PosterpresentationCompetition
